AUDITOR GENERAL

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Honorable Dennis Daugaard
Governor of South Dakota

and

Board of Directors
Educational Enhancement Funding Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Educational Enhancement Funding Corporation as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Educational Enhancement Funding Corporation's basic financial statements, and have issued our report thereon dated November 21, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Educational Enhancement Funding Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Educational Enhancement Funding Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Educational Enhancement Funding Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable

possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Educational Enhancement Funding Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. As required by South Dakota Codified Law 4-11-11, this report is a matter of public record and its distribution is not limited.

AUDITOR GENERAL

INDEPENDENT AUDITOR'S REPORT

The Honorable Dennis Daugaard
Governor of South Dakota

and

Board of Directors
Educational Enhancement Funding Corporation

Report on the Financial Statements

We have audited the accompanying financial statements of the Educational Enhancement Funding Corporation, a component unit of the State of South Dakota, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Educational Enhancement Funding Corporation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Educational Enhancement Funding Corporation as of June 30, 2014, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Adoption of New Accounting Standard

As described in Note 2 to the financial statements, the Educational Enhancement Funding Corporation adopted the provisions of GASB Statement No. 65 *Items Previously reported as Assets and Liabilities*. The Educational Enhancement Funding Corporation has restated beginning net position to account for bond issuance costs in accordance with this Statement. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

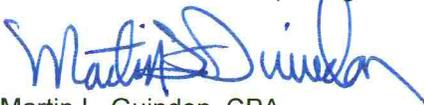

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 8-10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

The listing of officials on page 3 has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 21, 2014 on our consideration of the Educational Enhancement Funding Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Educational Enhancement Funding Corporation's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2014

This section of the Educational Enhancement Funding Corporation (the "Corporation") annual financial report presents management's discussion and analysis of the Corporation's financial performance during the fiscal year ended June 30, 2014 (FY 2014). This analysis should be read in conjunction with the Independent Auditor's Report, financial statements and notes to the financial statements.

Financial Highlights

- Total assets of the Authority decreased \$253.5 thousand or (.8%).
- Total liabilities of the Authority decreased \$14.6 million or (9.1%).
- Net position of the Authority increased \$14.0 million or 11.5%.
- Cash, cash equivalents and investments of the Authority decreased \$20.8 thousand or (.1%).
- Deferred outflows decreased \$413.5 thousand or (7.2%).

Bond issuance costs	0.0	1,817.0	(1,817.0)	(100.0)
Bond interest	4,498.3	10,643.1	(6,144.8)	(57.7)
Distributed to State of South Dakota Education Enhancement Trust Fund	7,719.5	1,682.7	6,036.8	358.8
Total expenses	12,353.9	14,289.0	(1,935.1)	(13.5)
Change in Net Position	\$ 13,979.2	\$ 16,058.5	(2,079.3)	(12.9)

* Restated in accordance with GASB #65

Analysis:

Principal paid on bonds for FY-14 was \$14.0 million, a \$5.3 million decrease over the previous period. Payments from Participating Manufacturers for FY-14 were \$26.3 million, a \$2.4 million increase over the previous period. Interest paid on bonds for FY-14 was \$4.5 million, a \$6.1 million decrease over the previous period. The adoption of GASB Statement #65 required a prior period adjustment to Cost of Issuance balances as the statement requires bond issuance costs to be expensed out rather than to be amortized over the life of the bonds.

MANAGEMENT'S DISCUSSION AND ANALYSIS

June 30, 2014
(continued)

Debt Administration:

The Corporation issued a total of \$148.5 million in taxable and \$129.5 million in tax-exempt bonds in fiscal year 2003. In fiscal year 2013, the corporation issued a total of \$123,010,000 in Series 2013A taxable and \$46,635,000 in Series 2013B tax-exempt bonds to current refund the Series 2002A and 2002B, respectively.

Outstanding bonds payable bear interest at rates ranging from 1.188% to 5%. There was \$13,995,000 of regularly scheduled bonds redeemed in the Series 2013A during fiscal year 2014.

The Series 2013A bonds and Series 2013B bonds are rated "A" and "A-", respectively by Standard and Poor's.

More detailed information about the Corporation's debt can be found in Note 3, Long-term Debt.

Overview:

Payments from Participating Manufacturers are the major source of revenue for the Corporation. Future payments are to be used to redeem outstanding bonds.

This report is presented to provide additional information regarding operations of the Corporation and to meet the requirements of GASB Statement No. 34.

EDUCATIONAL ENHANCEMENT FUNDING CORPORATION
A COMPONENT UNIT OF THE STATE OF SOUTH DAKOTA
NOTES TO FINANCIAL STATEMENTS
For the Year Ended June 30, 2014

NOTE 1 – THE CORPORATION

The Educational Enhancement Funding Corporation (“EEFC”) is a special purpose corporation, organized under the South Dakota Codified Laws (Chapter 5-12). EEFC is an instrumentality of, but separate and apart from the State of South Dakota (the “State”). EEFC is governed by a board of directors that consists of nine members appointed by the Governor. Although legally separate from the State of South Dakota, EEFC is a component unit of the State and, accordingly, is included in the State’s financial statements.

Pursuant to a Purchase and Sale Agreement with the State, the State sold to EEFC all of its future right, title and interest in the Tobacco Settlement Revenues (“TSRs”) under the Master Settlement Agreement (“MSA”). The MSA resolved cigarette smoking-related litigation between the settling states and the Participating Manufacturers (“PMs”), released the PMs from past and present smoking-related claims, and provides for a continuing release of future smoking-related claims, in exchange for certain payments to be made to the settling states, as well as certain tobacco advertising and marketing restrictions, among other things. The purchase price of the State’s future right, title and interest in the TSRs has been financed by the issuance of the Bonds and the Residual Certificate. The Residual Certificate represents the right of the State to receive all amounts required to be distributed after payment of all outstanding bonds and other liabilities of EEFC as set forth in the Trust Indenture. On an annual basis the Trustee and the EEFC calculate the residual amount, if any, to be disbursed to the State of South Dakota Education Enhancement Trust Fund. Pursuant to the resolution EEFC is prohibited from selling additional bonds, other than refunding bonds. The Bonds represent limited obligations of EEFC, payable solely from and secured solely by the pledged TSRs and the pledged amounts. The Bonds are not a debt or liability of the State or of any political subdivision or agency thereof. EEFC has no taxing power.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The EEFC is reported on the accrual basis of accounting. Revenue is recognized in the accounting period in which it is earned and expenses are recognized when they are incurred. The EEFC follows all Governmental Accounting Standards Board (GASB) pronouncements.

Cash and Cash Equivalents. This account includes cash and investments with original maturities of ninety days or less. Cash and cash equivalents reported in the Statement of Cash Flows represent all investments with an original maturity of ninety days or less.

Investments. Investments are reported at fair value. Unrealized gains and losses due to fluctuations in the market value are included in investment income.

Operating and Nonoperating Revenue. The EEFC's single source of operating revenues are the Tobacco Settlement Revenues ("TSRs"). Nonoperating revenue is generated solely by investment earnings. See Note 4 for additional investment disclosure.

Net Position. The net deficit position balance of (\$107,354,650) at June, 30 2014 reflects an unrestricted net deficit position as defined by GASB Statement No. 34. This balance is comprised of amounts from five accounts. The unrestricted Operating Account had a net position balance of \$268,451 at June 30, 2014. The unrestricted Special Reserve Subaccount had a net position balance of \$515,209 at June 30, 2014. The restricted Liquidity Reserve Subaccount had a net position balance equal to the Liquidity Reserve Requirement of \$17,863,664 at June 30, 2014. The restricted Debt Service Account had a net position balance of \$2,308,300 at June 30, 2014. The unrestricted bond account had a net deficit position balance of (\$128,310,274) at June 30, 2014. Management believes that the present value of the TSR's allocated to EEFC approximates the net deficit position, however, no receivable for future payments from participating manufacturers has been recorded or reported due to the uncertainty of the exact amounts or the timing of future receipts

Tobacco Settlement Revenues. The purchase and sale agreement between the EEFC and the State of South Dakota conveyed the right to all of the Tobacco Settlement Revenues ("TSRs") for the fiscal year ended June 30, 2003 until all of the bonds are redeemed. They are to be deposited with the EEFC's Trustee on its behalf until such time as the bond obligations are fully paid.

In September 2006, the GASB issued Statement No. 48, *Sales and Pledges of Receivables and Future Revenues and Intra-Entity Transfers of Assets and Future Revenues* effective for financial statements periods beginning on or after December 15, 2006. This Statement requires the EEFC to recognize the purchase of TSRs from the State of South Dakota as a purchase of a future revenue stream as well as recognize a deferred charge on its Statement of Net Position for any future transaction. However, the Statement permits, but does not require the EEFC to apply the Statement to previous transactions. Application to prior transactions would require restatement with application of the cumulative impact to the beginning net position of the current year reported in the statements. The initial impact of electing to implement GASB 48 for the existing transaction would result in a positive net position at restatement with an annual reduction in net position (or a loss on bond operations each year) until the bonds are fully redeemed. Management believes that restatement would not offer any significant value to the readers of the EEFC financial statements since they are accustomed to the current presentation. Further, management believes that such implementation would limit historical comparability and, therefore its predictive value, so retrospective application of this section of the Statement was not implemented.

In this case, GASB 48 provides that the event that results in the recognition of an asset and revenue is the domestic shipment of cigarettes. The EEFC estimates accrued TSRs that derive from sales of cigarettes from January 1, 2014 to June 30, 2014 according to the annual TSRs payment that are based on cigarette sales from the preceding calendar year and historical payment trends. TSRs recognized for 2014 included an accrual of \$11,778,682.

Recent Accounting Pronouncements. In March 2012, the GASB issued Statement No. 65, *Items Previously Reported as Assets and Liabilities*, which resulted in a reclassification of some financial statement line items on the balance sheet of governments. The objective of this statement is to either (a) properly classify certain items that were previously reported as assets and liabilities as deferred outflows of resources or deferred inflows of resources or (b) recognize certain items that were previously reported as assets and liabilities as expenses or revenues, such as debt issuance costs, fees and costs associated with mortgage banking activities, lending activities and loan purchases. The requirements of this statement are effective for financial statements for periods beginning after December 15, 2012. Accounting changes adopted to conform to the provisions of this Statement were applied retroactively by restating financial statements for all periods presented. For the year ended June 30, 2014, the EEFC implemented GASB Statement No. 65. *Items Previously Reported as Assets and Liabilities*. This statement resulted in the establishment of categories outside of assets and liabilities titled deferred outflows and deferred inflows. This statement also resulted in a restatement to the beginning net position on the statement of activities of \$1,766,023 to remove bond costs of issuance no longer required to be amortized.

NOTE 3 – LONG-TERM DEBT

In connection with the purchase of the State’s future right, title and interest in the Tobacco Settlement Revenues (“TSRs”), EEFC issued bonds in an aggregate principal amount of \$278,045,000 on September 24, 2002. On March 14, 2013, EEFC issued The Series 2013A and 2013B bonds in an aggregate principal amount of \$169,645,000 with an average interest rate of 3.96% to current refund \$54,035,000 and \$129,540,000 of outstanding maturities in the EEFC Series 2002A bonds and Series 2002B bonds, which had interest rates of 6.72% and 6.5%, respectively.

The EEFC has pledged to bondholders certain accounts established and maintained by the Trustee pursuant to the Trust Indenture. These pledged accounts include the Collections Account (except to the extent that money therein is allocable to the Operating Account or to the Special Reserve Subaccount), the Debt Service Account, and the Liquidity Reserve Subaccount. These accounts include the TSRs, net of amounts allocated to the EEFC for operating purposes and to pay arbitrage rebate. The Operating Account and Special Reserve Subaccount for EEFC are not pledged to bondholders. EEFC applied all TSRs received during fiscal year June 30, 2014 to pay its operating expenses and to the payment of scheduled debt service. A residual amount of \$7,719,542 was distributed to the state of South Dakota’s Education Enhancement Trust Fund. Outstanding bonds payable bear interest at rates ranging from 1.188% to 5.00%. There was \$13,995,000 of regularly scheduled bonds redeemed in the Series 2013A during fiscal year 2014. The balance of bonds outstanding at year end was:

Fiscal Year Ending June 30	Principal	Interest	Total Debt Service
2015	\$ 13,225,000	\$ 4,610,400	\$ 17,835,400
2016	12,535,000	4,453,287	16,988,287
2017	11,935,000	4,258,869	16,193,869
2018	11,500,000	4,031,388	15,531,388
2019	10,900,000	3,783,448	14,683,448
2020-2024	49,995,000	13,243,305	63,238,305
2025-2027	<u>26,760,000</u>	<u>2,534,750</u>	<u>29,294,750</u>
	<u>\$136,850,000</u>	<u>\$ 36,915,447</u>	<u>\$173,765,447</u>

The following is a schedule of Bonds Payable as of June 30, 2014:

Bond Series	Maturity Through	Percent Interest Rate	Balance 6/30/13	Retired	Balance 6/30/14	Amount Due Within One Year
2013A	2022	1.188 - 3.539	\$104,210,000	\$ 13,995,000	\$ 90,215,000	\$ 13,225,000
2013B	2027	5.00	<u>46,635,000</u>	<u>-</u>	<u>46,635,000</u>	<u>-</u>
Total			150,845,000	13,995,000	136,850,000	13,225,000
					<u>8,205,803</u>	
					<u>\$145,055,803</u>	

NOTE 4 – CASH AND INVESTMENTS

All of the EEFC's cash and investments are held and administered by a bank trust department. Separate accounts are maintained for the required Liquidity Reserve Subaccounts and other purposes as stipulated in the indentures. All investments are held on behalf of the EEFC by the bank as trustee.

For purposes of reporting cash flows, the EEFC considers all highly liquid investments (maturities of three months or less) and all investments with insignificant risk of changes in value because of changes in interest rates to be cash and cash equivalents. Cash equivalents are reported at fair value. The balance in cash and cash equivalents as of June 30, 2014 was \$152,453 at fair value.

Deposits:

Custodial Credit Risk. Custodial credit risk is the risk in the event of a bank failure, the EEFC's deposits may not be returned to it. At June 30, 2014 the EEFC had insured deposits with a bank trust department of \$152,453 that were in the bank's name.

Credit Risk. The EEFC does not have a formal investment policy with respect to credit risk. At June 30, 2014 \$152,453 was invested in The First American Government Obligation Fund Class D, which was rated AAAm by Standard and Poor's and Aaa-mf by Moody's at June 30, 2014.

Investments:

Custodial Credit Risk. At June 30, 2014 the following investments were uninsured and unregistered, with the securities held by a bank trust department, but not in EEFC's name.

	<u>Fair Value</u>
U.S. Government Agencies Agreements	<u>\$ 20,803,171</u>

Interest Rate Risk. The EEFC does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At June 30, 2014 all investments had maturities of less than one year.

Credit Risk. The EEFC does not have a formal investment policy with respect to credit risk. At June 30, 2014 the EEFC's investments consisted of obligations of U.S. Government Agencies and First American Government Obligations Fund Class D. The obligations of U.S. Government Agencies were rated AA+ and Aaa by Standard and Poor's and Moody's, respectively, at June 30, 2014.

Concentration Credit Risk. The EEFC places no limit on the amount the corporation may invest in any one investment. More than 5% of the EEFC's investments are in U.S. Government Agencies. These investments are 99.3% of the EEFC's total investments.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

Contingency 1. The EEFC purchased future Tobacco Settlement Revenues ("TSRs") from the State of South Dakota by issuing long-term bonds. The future collection of the TSRs will be used to pay the debt service of the EEFC.

Contingency 2. South Dakota received only a portion of its expected April 2014 annual MSA payment, in part due to a dispute with certain Participating Manufacturers over the applicability of a Nonparticipating Manufacturer ("NPM") Adjustment. The NPM Adjustment procedure is found in Section IX(d) of the Master Settlement Agreement ("MSA").

A MSA Settling State will not be subject to an NPM Adjustment for a particular year if it is found to have "diligently enforced" its Qualifying Statute throughout that year. The nationwide arbitration involving the Participating Manufacturers and most of the MSA Settling States regarding the 2004 NPM Adjustment is commencing at this time and is therefore still pending.

Several Participating Manufacturers reduced their April 2014 annual MSA payments to many of the MSA Settling States, either withholding a portion of the payment or placing the disputed amount into a disputed payment account. Again, it is anticipated that these amounts will not be disbursed to the States until the dispute is resolved with finality.

Likewise, it is expected that several Participating Manufacturers will seek an NPM Adjustment with respect to the annual MSA payment due in April 2015. As in the past, the Participating Manufacturers might withhold the disputed amount or place it in a disputed payment account until the issue is resolved. Whether such a reduction will be made, and if so, the amount of the reduction, is not known at this time.

NOTE 6 – RISK MANAGEMENT

The EEFC is exposed to various risks of loss related to officers' and directors' errors and omissions. These risks are covered through the purchase of Directors' and Officers' insurance with a liability limit of \$5,000,000 and a retention limit of \$250,000.
